

# 1595CCP

## CUSTOM PRINTED HEAVY DUTY TAPE HANDLES -30lbs.

Technical Data Decker Tape 1595 tape handles are made of a 50 micron high performance polypropylene packaging tape that is coated with a rubber adhesive system. This biaxially oriented polypropylene offers excellent resistance to edge tear and splitting due to impact shock. Features / Benefits This product features a high performance, durable plastic adhesive handle requiring no heat, moisture or solvent activation, which creates a convenient handle when ends are attached to both sides of a box or package. The handle portion is white or colored paper, and is available with stock or custom printed. Packaged in a convenient dispenser box, it offers customer convenience, allowing them to carry more items and for quick movement through checkout lines. These tape handles store easily at checkout counter, allow for source reduction, and offer in-store security. Applications For use in carrying boxes and bulky products up to 20 lbs. On 1" wide handles and 30 lbs. on 1-3/8" wide handles. This includes sporting goods, shoe boxes, small appliances, toys, hardware items, pillows, comforters, lawn and garden items).
