

1597

Tape Handles Retail Packaging

DESCRIPTION

The Decker 1597 tape handles are made of a high performance polypropylene packaging tape coated with a rubber adhesive system.

FEATURE

- Applications: for use in carrying boxes and bulky products up to 10 lbs on 1" wide handles and 15 lbs on 1-3/8" wide handles including sporting goods, shoe boxes, small appliances, toys, hardware items, pillows, comforters, lawn and garden items
- High performance, durable plastic adhesive handle requiring no heat, moisture or solvent activation, creating a convenient handle when ends are attached to both sides of a box or package
- Packaged in convenient dispenser box for easy storage in warehouses or at registers
- Custom Printing available
