

4568

Printers Roller Wrap
Knubby Tape / Dimpled

DESCRIPTION

The Decker 4568 is an embossed surface, spun rayon fabric tape designed to wrap around rollers/mandrels on printing, coating and converting equipment.

FEATURE

- Applications: used to wrap around rollers/mandrels on printing, coating and converting equipment
- Embossed pattern with dimpled non-slip features assures that the web passes over rollers/mandrels in converting process, while the silicone release keeps inks, coating or adhesive from building up on rollers, mandrels or drums

TECHNICAL DATA (Average Values)
