

90RF

Reflective Tape

DESCRIPTION

The Decker 90RF is an engineering grade highly reflective, conformable film tape coated with a pressure sensitive acrylic adhesive.

FEATURE

- Applications: designed for use on high quality signage including traffic control signs, barricades and construction zone devices
- Resistant to extreme weather conditions
- Excellent pliability and will not crack or break when bent
- Able to keep its flexibility even at low temperatures
- Renders retroreflectivity at night
- Performance life of 5 years
