Super Clear BOPP Tape

DESCRIPTION

The Decker 123 is a crystal-clear transparent BOPP self-adhesive tape with solvent-based acrylic adhesive which offers high tack, strong adhesion and excellent holding power.

FEATURE

- Applications: multi-purpose packaging where wide temperature ranges are required
- Excellent choice for heavy duty packaging, over-lamination, label protection, mending and holding applications
- Easy adherence to slightly irregular surfaces, due to tack and strong substrate
- Brilliantly clear and glossy while being fish-eye free
- Heavy duty film resists splitting or tearing, will not yellow with age and is UV resistant
