

1325C

Bi-Directional Filament Tape Handles

DESCRIPTION

The Decker 1325C is a high performance bi-directional fiberglass reinforced polypropylene tape handle with a synthetic rubber adhesive.

FEATURE

- Applications: for use in carrying heavy boxes and bulky products up to 50 lbs, including golf bag boxes, rolled carpets, sporting goods, household and hardware items, garden tools and equipment
- High performance, durable plastic adhesive handle requiring no heat, moisture or solvent activation, creating a convenient handle when ends are attached to both sides of a box or package
- Packaged in convenient dispenser box for easy storage in warehouses or at registers
- Carry Weight: 50 Lbs (22.68 (Kg))
- Standard Tape Handle Size 1-3/8" X 23" X 6" (35 X 584 X 152 mm) or custom
