

# 710

## Tamper Evident Tape

### DESCRIPTION

The Decker 710 is a tamper evident polypropylene carton sealing tape with a solvent acrylic adhesive.

### FEATURE

- Applications: sealing cartons containing high value items such as electronic and computer products, pharmaceutical items, confidential documents, jewelry
- Instant tampering identification - appears like a standard carton sealing tape when applied, but once removed, the message "Security Tape" remains clearly visible
- The partial transfer security message is visible after trying to reseal the box
- High tack and strong adhesion
- Available in Tape Rolls (710), Security Strips (720), Tape Pads (730)
